Happy New Year!

In this season of reflection, we recognize what is important to us. We raise our mugs to you-- our students, our supporters and our followers. Your ongoing support means more than words can express.

We are excited about 2016 and all that it has to offer. With the help of the DuPage Foundation grant, we will soon have a new kiln! We will be launching our membership program so look for details later this month. Lots of great benefits and a wonderful to support ClaySpace. Look for fused glass classes to be returning and a new independent study offering soon. The theme for our annual local competition is "functional bird houses." It happens in April. Please consider entering. It is the year for our national competition- Clay Cubed. Look for more details soon. Each *First Friday* will showcase a new show in the ClaySpace Gallery. In September, ClaySpace turns 10. We have lots to offer and celebrate. Hope you'll join us.

May the kiln gods be with you and your creative endeavors in 2016.
